FEES ORDINANCE," AND DECLARING AN EMERGENCY**

WHEREAS, on March 10, 2003 the Board of Directors of the Navajo County Public Health Services District adopted the "Public Health Services District Licensing Fees Ordinance," Ordinance No. PHSD 01-03; and

WHEREAS, a fee study performed by Maximus, Inc., determined that the fees and charges set forth in Ordinance No. PHSD 01-03 do not accurately reflect the current actual costs of services provided by the Public Health Services District and are grossly lower than the fees and charges imposed by other Arizona counties for similar services; and

WHEREAS, Maximus, Inc., determined a schedule of fees and charges based on current actual cost data; and

WHEREAS, the Navajo County Finance Director and the Director of the Public Health Services District have recommended to the Board of Directors a schedule of fees and charges that are consistently lower than those determined by Maximus, Inc.; and

WHEREAS, the Finance Director and the Director of the Public Health Services District have recommended certain other technical changes to Ordinance No. PHSD 01-03 to more accurately reflect the statutory and regulatory authority of the Public Health Services District; and

WHEREAS, the County Attorney has reviewed and approved the recommended changes to Ordinance No. 01-03 in the form attached hereto; and

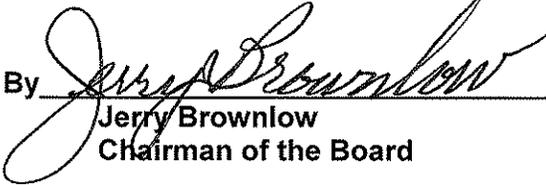

WHEREAS, following a duly noticed public hearing held this date, the Board of Directors finds that the recommended changes to Ordinance No. 01-03 are in the public interest and should be approved,

NOW, THEREFORE, BE IT ORDAINED by the Board of Directors of the Navajo County Public Health Services District that Ordinance No. 01-03 shall be and hereby is amended in accordance with the form attached hereto; and

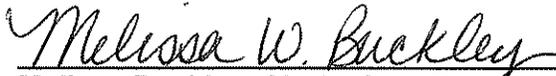

BE IT FURTHER ORDAINED that the Board of Directors finds and declares that an emergency exists because the license fees set forth in the amended Ordinance must be implemented as of the start of the new fiscal year on July 1, 2009 and bills for such fees must be mailed immediately, and therefore the amended Ordinance shall be effective immediately.

ORDINANCE NO. PHSD 01-03

Adopted March 10, 2003

Amended June 9, 2009 by Ordinance No. 01-09

**PUBLIC HEALTH SERVICES DISTRICT
LICENSING FEES ORDINANCE**

AN ORDINANCE OF THE BOARD OF DIRECTORS OF THE NAVAJO COUNTY PUBLIC HEALTH SERVICES DISTRICT, ESTABLISHING THE FEES TO BE CHARGED FOR REVIEWING PLANS AND ISSUING OPERATING PERMITS TO FOOD ESTABLISHMENTS, PUBLIC AND SEMIPUBLIC BATHING PLACES, WATER HAULERS AND SEPTIC HAULERS; AND PROHIBITING THE OPERATION OF SUCH A FACILITY WITHOUT A LICENSE.

1. PURPOSE / AUTHORITY / SCOPE

The Arizona Department of Health Services ("ADHS") regulates certain Food Establishments and Public and Semipublic Bathing Places pursuant to its authority under Title 36 of the Arizona Revised Statutes and related provisions of the Arizona Administrative Code. The Arizona Department of Environmental Quality ("ADEQ") regulates certain Water Haulers and Septic Haulers pursuant to its authority under Title 49 of the Arizona Revised Statutes and related provisions of the Arizona Administrative Code. The Navajo County Public Health Services District ("the District"), a special taxing district established pursuant to Title 48, Chapter 33 of the Arizona Revised Statutes, regulates such facilities pursuant to its own statutory authority and the authority delegated to it by ADHS and ADEQ. The District is administered by the Director of Public Health ("the Director") appointed by the Board of Directors of the District ("the Board").

A.R.S. § 36-187 authorizes the Board to adopt a schedule of reasonable fees to be charged by the District for issuing or renewing licenses or permits and performing other statutory and regulatory duties. This ordinance establishes the fees to be charged by the District for (1) reviewing plans and specifications for regulated Food Establishments, and (2) issuing and renewing Licenses to Operate to regulated Food Establishments, Public and Semipublic Bathing Places, Water Haulers and Septic Haulers. It also specifies late charges for failure to pay such fees when due and authorizes the District to

take enforcement action to ensure payment. The fees established herein are based on the expenses incurred by the District in administering the state statutes and regulations and performing related reviews and inspections.

This ordinance applies throughout Navajo County (including incorporated cities and towns), with the exception of land under Tribal sovereignty. The provisions of this ordinance are in addition to those set forth in the provisions of the Arizona Revised Statutes and Arizona Administrative Code applicable to Food Establishments, Public and Semipublic Bathing Places, Water Haulers and Septic Haulers.

2. FOOD ESTABLISHMENTS

A. PLAN REVIEW AND APPROVAL

Food Establishments that are subject to regulation under the Arizona Food Code (Title 8, Chapter 8, Article 1 of the Arizona Administrative Code) must submit plans and specifications for their facilities to the District for review and approval pursuant to subparts 8-201.11 through 8-201.14 of the code. The fee for the District to review plans and specifications depends on the nature and size of the Food Establishment. The fees are shown in Table 1 of this ordinance. The applicable fee shall be paid when the required plans and specifications are submitted for review and approval. The plans and specifications shall be approved when all applicable requirements of the Food Code have been met, as evidenced by the Director's issuance of a Permit to Construct.
