

Downloading Plat Maps

Plat maps can be downloaded from the public website under the Assessor's department. To begin, navigate to the Assessment Information page.

1. Navigate to the "Assessment Information" page. Opening that page can either be done from the "Quick Links" section of the main page or using the side box on a subpage.

Quick Links

Quick Links

 Property Map Search Map search of properties located in the county.	 Assessment Information Search for property information.	 Exemptions Property exemption information.
 Request to Meet Request the Assessor to attend a meeting.	 Pay Taxes Information on paying your taxes.	 Contact Us How to contact our office.

[Contact Information](#)

2. Once you have reached the "Assessment Information" page then you should see a few options to put in some info to search on.

Navajo County Property Information

Parcel Number / Tax ID:	<input type="text"/>	<input type="button" value="Find Account"/>
Name:	<input type="text"/>	<input type="button" value="Name Search"/>
Mailing Address:	<input type="text"/>	<input type="button" value="Address Search"/>
Site Address:	<input type="text"/>	<input type="button" value="Situs Address"/>

- For this example we will be using the “Parcel Number” but there are other options that can be used to search for property within Navajo County.

Parcel Number / Tax ID:

- After clicking on “Find Account” there should now information in the box below the search options. You will notice multiple tabs at the top and for plat maps we want to select “Other”.

PLEASE ENABLE POPUPS ON YOUR BROWSER TO BE ABLE TO DOWNLOAD THE REPORTS.

[Plat Map \(pdf\)](#) View the property Plat Map in .pdf format. Only real property has a plat map.

[Plat Map \(dwg\)](#) View the property Plat Map in .dwg format. This requires the use of [True View](#)

[Parcel Report](#) Generate detailed report on selected parcels.

[Tax Report](#) Generate detailed tax report.

- Depending on the settings of your computer you should see a PDF open up or downloaded.

Opening DWG Files

AutoDesk offers a free solution to view the DWG maps from their website. Visit the following link:

<https://www.autodesk.com/viewers>

1. Click on “Windows viewer”

Recommended viewers

Online viewer **Windows viewer** CAD viewer and editor

 DWG TRUEVIEW
View or convert with DWG TrueView
View DWG files or convert them to work with older versions of AutoCAD software. Add Design Review to mark up 2D and 3D files without the original design software. For greater flexibility consider Autodesk Viewer or AutoCAD web app.

2. The icon should be red with the letter “D” in it. At the bottom of the description click on “Download now”

 DWG TRUEVIEW
View or convert with DWG TrueView
View DWG files or convert them to work with older versions of AutoCAD software. Add Design Review to mark up 2D and 3D files without the original design software. For greater flexibility consider Autodesk Viewer or AutoCAD web app.

File type	Works with	Platform
✓ DWG	✓ AutoCAD	✓ Windows
✓ DXF	✓ Revit	
	✓ Fusion 360	

Download now →

3. Once the download has been completed click on it to begin the installation process. Once installed you will be able to open DWG drawings and use measurement tools found in the application, Autodesk DWG TrueView.
