The U.S. Election Assistance Commission (EAC) was established by the Help America Vote Act of 2002 (HAVA). EAC is an independent, bipartisan commission charged with developing guidance to meet HAVA requirements, adopting voluntary voting system guidelines, and serving as a national clearinghouse of information on election administration. EAC also accredits testing laboratories and certifies voting systems, as well as audits the use of HAVA funds.

The Arizona Code of Judicial Conduct
Canon 4 of the Arizona Code of Judicial Conduct (“Code”) applies to judges and to judicial candidates. The Code broadly defines a judicial candidate as follows:

“Judicial candidate” means any person, including a sitting judge, who is seeking selection for or retention in judicial office by election or appointment. A person becomes a candidate for judicial office as soon as he or she makes a public announcement of candidacy, declares or files as a candidate with the election or appointment authority, authorizes, or, where permitted, engages in solicitation or acceptance of contributions or support, or is nominated for election or appointment to office.

A successful judicial candidate is subject to discipline by the Arizona Commission on Judicial Conduct for Code violations, even if the candidate was not a judge during the period of his or her candidacy. An unsuccessful judicial candidate who is a lawyer is subject to discipline by the State Bar of Arizona for Code violations.

The handbook Guidelines for Candidates Seeking Judicial Office can be located on their website.

A judicial candidate subject to public election may establish a campaign committee to manage and conduct a campaign for the candidate. Justice of the Peace candidates cannot be their own Committee Treasurer. See Arizona Code of Judicial Conduct http://www.azcourts.gov/azcjc/ArizonaCommissiononJudicialConduct.aspx

Candidate Committees established as new in 2021 or 2022 are required to start filing reports when they are due regardless of meeting the $1300 threshold.

Committees established prior to 2021 that are still open, not terminated, are required to start filing reports in the year of their election. For candidates running for an office in 2022, with a committee opened prior to 2021, your first report is due in April for the first quarter of 2022.

A pre-election, post-election report is required if you are running in an election in that quarter.

**Failure to File Notification & Consequence**

The Elections Department will send “Notice of Delinquency” notification by email to all committees that have failed to file for each reporting period.

- Notices are emailed within 5 calendar days after the filing deadline.
  - The committee is subject to a late fee of $10 per day for the first 15 days the report is late. After 15 days, the penalty increases to $25 per day. Penalties continue to accrue until the report is received.

**Payment Methods**

- Cash (Exact change requested as we cannot make change)
- Check or Money Order – personal or campaign: Made Payable to Navajo County

**Consequence**

A candidate’s nomination paper to run for office cannot be accepted if the candidate is liable for $1,000 or more in unpaid fines.

**Committee Termination Statement**

The committee is considered active and must continue to file Campaign Finance Reports or No Activity Statements for ALL statutory reporting dates until a Termination Statement is filed.

- Even if the candidate lost the election.
- A final report showing a $0.00 balance and the Termination Statement are required in order properly close out a committee, become inactive and no longer be required to file reports.
- The Chairman, Treasurer, and Candidate must all sign the statement.
- Reports not filed are considered late and are subject to late fees.

PETITIONS

Any person desiring to be become a candidate at any election and have their name printed on the official ballot shall file nomination petitions. Due to a change in law (2020), candidates for County or School District offices must file a Candidate Statement of Interest with the filing office prior to collecting any petition signatures.

A nomination petition is the form used for collecting the required number of signatures from qualified electors and is circulated by or on behalf of the person seeking to become a candidate for a political office. Blank petitions may be duplicated but the original petition used must be on a form supplied by the Navajo County Elections Department or downloaded from the Secretary of State’s Office, www.azsos.gov or Navajo County Web Page https://navajocountyaz.gov/Departments/Elections/Candidates/Candidate-Packet

TYPES OF PETITIONS

Partisan Nomination Petition (Primary Election)—A primary election candidate shall file partisan nomination petitions that contain signatures equaling no less than 1% and no more 10% of the total voter registration of the party of the candidate within the jurisdiction of the office they seek.

What Parties are currently recognized for Navajo County Elected Office?
- Democratic Party
- Republican Party

Nomination Petition for those Not Affiliated with a Recognized Political Party — A candidate who is a registered member of a party not entitled to representation, such as a candidate who is registered as an Independent or No Party Preference, may be nominated as a candidate for Navajo County public office “other than by the primary election.” Candidates wishing to be nominated other than by primary election shall file the required candidate papers and petition at the same time that primary nomination papers and petitions are required to be filed. Candidates nominated other than by primary election shall not be voted for at the primary election but shall be voted for at the general election. (A.R.S §16-341 A-C)

Petitions for nomination other than by primary election shall be signed by at least 3% of the number of persons who are registered to vote in the county or district for which the candidate is nominated who are not members of a political party that is qualified to be represented by an official party ballot (Democrat or Republican Party) at the next ensuing primary election and accorded representation on the general election ballot. A petition circulated for a nomination other than by primary election candidate shall be signed only by voters who have not signed the nomination petition of a candidate for the office to be voted for at the primary election.

Non-Partisan (Special District Candidate) Nomination Petition—This petition is used to nominate a person to a particular office within a political division or district regardless of party affiliation. Each person signing must be a qualified elector and resident of the division or district of the candidate.
NOTE: Signatures on petitions are not verified by this department; this is an office of filing only. However, petition signatures are subject to challenge by other candidates or electors of the State of Arizona.

POLITICAL CAMPAIGN SIGNS

The Navajo County Elections Department is not responsible in any way for candidates’ political signs. Any candidate/political committee wishing to post temporary political signs within city limits must first check with each city on any ordinance or regulations for posting political signs.

Political Candidates and campaign volunteers shall indemnify, defend, and save harmless Navajo County and its employees from and against any and all claims and damages caused in whole or in part by their negligent or willful acts or omissions related to the placement of political signs in, on or about County right of way/roadways.

The County enforces political sign code on County maintained roads only. The County DOES NOT regulate signage on private property.

If a temporary political sign is placed in a public right-of-way that is owned or controlled by the County and the sign supports or opposes a candidate for public office or it supports or opposes a ballot measure the following guidelines apply:

- The sign cannot be placed in a location that is hazardous to public safety, obstructs clear vision in the area or interferes with the requirements of the Americans with Disabilities Act (ADA).
- The sign has a maximum area of sixteen square feet, if the sign is located in an area zoned for residential use, or a maximum area of thirty-two square feet if the sign is located in any other area.
- The sign must contain the name and telephone number of the candidate or campaign committee contact person.
- Political signs may not be placed in public right-a-ways more than 71 days prior to the Primary Election. Signs must be removed with 15 calendar days following the final election for that candidate or issue.
- Political signs may not be placed or attached to County road signs, public facility, or building. Do not place any signs on utility poles.

ADOT regulates the placement of signs adjacent to state roadways and interstates; drainage channel or streams; on or around interchange or crossroads; on or around traffic signs, signals or devices; and on natural features, including trees and rocks. For the posting of signs on private property, it is up to each candidate/political committee to contact the owner for permission.
Please Note: Political signs placed within 150 feet of a vote center must be removed prior to Election Day (A.R.S. §16-515 Notes of Decisions #4); Outside of this 150-foot range, if the sign is on property of the facility being used as a vote center, permission must be granted by the owner or person in charge of the facility.

Knowing the location of buried lines, pipes and cables - and then carefully working around them–prevents serious injuries and protects the critical utilities we all rely on every day from damage. Learn more at [www.Arizona811.com](http://www.Arizona811.com).

A.R.S. §40-360.21-31 requires anyone who is excavating on public or private property for any reason to determine, in advance, “whether underground facilities will be encountered, and if so where they are located from each and every underground facilities operator and taking measures for control of the facilities in a careful and prudent manner.”

Installing any type of sign without having utilities marked in advance is punishable by fines of up to $5,000 per violation.
It is a Class 2 misdemeanor for any person to knowingly remove, alter, deface or cover any political sign of any candidate for public office for the period commencing 45 days prior to a Primary Election and ending 15 days after the General Election (A.R.S. §16-1019.A). This provision does not apply to the removal, alteration, defacing or covering of a political sign by the candidate or property owner and/or the authorized agent in support of whose election the sign was placed, with or without permission of the owner, or place in violation of state law, or county, city or town ordinance or regulation. (A.R.S. §16-1019. B). An authority having jurisdiction over the highways may remove or cause a sign to be removed without notice, if it is considered a public nuisance (A.R.S. §28-648.D).

- Except if a sign is posted on private property – the property owner or agent of the property owner is permitted to remove the signs at any time, regardless of whether previous permission was given.
- HOA’s shall not prohibit the display of political signs. A.R.S. §33-1261, 33-1808 (C)

Signs cannot be placed on any City, Town, or County property. For additional information and guidelines regarding sign placement, check with the specific city or town planning and zoning department.

ARIZONA’S OPEN PRIMARY ELECTION

Arizona’s open primary law allows voters registered as independent, unaffiliated, or with no party preference and members of a party without ballot recognition to vote in the partisan Primary Election ballot of one of the recognized political parties of the voter’s choice. Only names of "recognized” parties appear on that Party’s Primary Election ballot. Voters registered in a recognized political pay may vote only the Primary Election ballot of that Party.

If a registered voter is not affiliated with a recognized political party and wishes to vote in a partisan Primary Election, the voter shall identify on the ballot-by-mail request or at a voting location the recognized political party ballot that the voter would like to receive. The voter is only allowed one party ballot. A.R.S. §16-804, 16-467(B)16-544(G)(2)
POLLING PLACE CONDUCT FOR CANDIDATES

There are numerous state and local laws that govern your conduct at the polling place on Election Day. We ask that all candidates and all candidates’ volunteers abide by those rules and conduct themselves at the polling places legally, safely, and appropriately. Violations of such laws are enforced by our election boards, troubleshooters, sheriff deputies, and local police agencies. The following sections of this handbook touch on some of the most common rules which must be followed in order to ensure voter courtesy, safety, compliance with the law, and to protect important property and business interests of polling place owners.

Persons present in the polling place on Election Day are subject to the directions and statutory responsibilities of the election officers. The election officers are charged with securing the ballots and voting process; preserving order at the polls (A.R.S. § 16-535); permitting no violation of election laws (A.R.S. § 16-535), prohibiting any ability to ascertain an elector’s vote (A.R.S. § 16-1007) — including videotaping in whole or in part of ballots or voting sites; securing the ballots and election materials (A.R.S. § 16-602 et seq.); restricting access to certain portions of the polling place (e.g., A.R.S. § 16-562 and 16-515); not releasing or divulging the results of any ballot counting until one hour after the close of the polls (A.R.S. § 16-551.C); ensuring that no deadly weapons are carried into the polling place (A.R.S. § 13-3102.11); ensuring that there is no intimidation of any elector (A.R.S. § 16-1013); allowing no interference with respect to voting (A.R.S. §16-1017); and that there is no interference in any manner with an officer of the election in the discharge of their duty (A.R.S. § 16-1004).

Courtesies

ALL voters, candidates, workers, polling place property owners, and the public deserve your courtesy and respect.

Electioneering Capability – “75-Foot Limit”

Except in the case of an emergency, any facility that is used as a polling location on Election Day shall allow persons to electioneer and engage in other political activity outside of the 75-foot limit in public areas and parking lots used by voters. (A.R.S. §§ 16-411 and 16-515).

Inside the 75-Foot Limit
At each polling place, signs will be posted to mark the 75-foot limit. While the polls are open, a person shall not be allowed to remain inside the 75-foot limit boundary except for/that:

- Voters for the purpose of voting.
- A minor accompanying a voter into a polling place.
- The voter may be accompanied and assisted by a person of the voter’s own choice, except for a person who is a candidate in that election.
- Election officials.
- One representative of each political party represented on the ballot who has been appointed by the county chairman of that political party.
- Challengers allowed by law.

Voters having cast their ballots shall promptly move outside the 75-foot limit. They are not to remain inside the facility or the marked 75-foot limit.

**NO ELECTIONEERING WITHIN THE 75-FOOT LIMIT**

Electioneering occurs when an individual knowingly, intentionally, by verbal expression, and in order to induce or compel another person to vote in a particular manner or to refrain from voting express support for or opposition to a candidate who appears on the ballot in that election, a ballot question that appears on the ballot in that election or a political party with one or more candidates who appear on the ballot in that election.

It is a class 2 misdemeanor for any person to attempt to influence a person’s vote within 75 feet of a polling place, vote center, or early voting location. A person shall not be allowed to remain inside the 75-foot limit while the voting location is open, except for the purpose of voting, and no electioneering may occur within the 75-foot limit. Except in the case of a voting location with an emergency designation, electioneering must be permitted outside the 75-foot limit at any facility designated as a voting location. A list of voting locations with an emergency designation, the reason the emergency designation was granted, and the number of attempts that were made to find a polling place before granting the designation may be found on the County website at [https://navajocountyaz.gov/Departments/Elections/Polling-Places](https://navajocountyaz.gov/Departments/Elections/Polling-Places)

An election official, an appointed political party representative, or a challenger shall not wear, carry, or display materials that identify or express support for, or opposition to, a candidate, a political party or organization, a ballot question, or any other political issue, and shall not electioneer within the 75-foot limit.

- A voter may carry anything he or she chooses to bring.
- A voter may wear any type clothing with any slogan or candidate.
- A voter may not verbally campaign for the purpose of inducing someone to vote or to refrain from voting for a candidate or ballot measure.

A.R.S. §16-515(I), §16-515(H), §16-1018(1), §16-515(A).
**Photography**
A person **may not** take photographs or videos while within the 75-foot limit. Any person violating this section is guilty of a class 2 misdemeanor. A voter who makes available an image of their own ballot by posting on the internet or in some other electronic medium is deemed to have consented to re-transmital of that image and that does not constitute a violation. While voters are allowed to take a picture of their own voted ballot, **THAT LAW DOES NOT APPLY TO IN PERSON VOTING ON ELECTION DAY OR DURING EARLY VOTING.**

**Outside the 75-Foot Limit**
Anyone can stand outside the 75-foot line and hand out materials or hold signs. As for posting signs outside the 75-foot limit, a person who wishes to post a sign on private property shall seek permission from the property owner. There may be polling places that do not allow electioneering outside the 75 foot limit.

**Keeping Traffic and Walkways Clear**
The parking area, sidewalk or traffic area used by voters (whether on foot or in their vehicles), as well as in areas which may be used by voters with a disability for drive-up voting, the parking area, sidewalk or traffic area **MUST BE KEPT CLEAR.** These rights of way or traffic areas, whether or not they are in the 75-foot limit, may not be encroached upon with signs, vehicles, tables, chairs, or supporters.

**Sidewalks**
During voting, a public sidewalk inside the 75’ limit becomes part of the restricted zone. No campaigning or electioneering is allowed on a public sidewalk during voting hours.

**Polling Place Abuse**
The owners of the facilities used as polling places have private property rights as well as liabilities for actions taken on their property. The County does not lease the entire premises for voting purposes and most of the facilities have normal business activities occurring on Election Day. An increasing number of facilities have expressed concern with Election Day abuse to their property, unauthorized borrowing of furniture or use of resources, interference with their customers or patrons, and concern with damage resulting from signs placed on the premises. Please note that you may need to seek permission from the private property owner for activities you wish to conduct on private property, and an owner may ask that unauthorized persons, structures, or signs be removed from private property. We have advised polling place owners that the County does not have the power to enforce private property rights. After receiving a warning that conduct or presence is not permitted by the property owner, deputies or local police may be called upon by the owner to enforce the property owner’s rights.
Sign placement and tampering
Many owners of the facilities used as polling places have specific preferences about Election Day signage. Some facilities have designated specific areas they have approved for sign placement; others prohibit signs anywhere on the premises. Do not place signs at a polling place without first checking with the property owner or manager. Unauthorized signs on private property may be removed and confiscated. State and many local laws also govern placement of signs on public and private property as well as removal, alteration, or defacing of political signs. Check with your local jurisdictions before placing signs.

DROPPING OFF BALLOTS AT VOTING LOCATIONS
All eligible voters may request a ballot-by-mail and may mail back their voted ballot or drop it off at their County Recorder’s Office, any official ballot drop-box, any early voting location, or any Election Day voting location in the county. Ballots must be received by election officials by 7:00pm on Election Day.

Arizona law allows a caregiver, family member, household member, or election official to help return a voter’s ballot to county election officials, including dropping off the ballot at a voting location. These categories are broadly defined (A.R.S. § 16-1005):
- Caregiver: "a person who provides medical or health care assistance to the voter in a residence, nursing care institution, hospice facility, assisted living center, assisted living facility, assisted living home, residential care institution, adult day health care facility or adult foster care home."
- Family member: "a person who is related to the voter by blood, marriage, adoption or legal guardianship."
- Household member: "a person who resides at the same residence as the voter."

ENFORCING VOTING LOCATION RULES
Inspectors oversee each voting location and should utilize the Marshall to preserve order and remove potentially disruptive persons. A.R.S. § 16-535(B); A.R.S. § 16-1004(A). Higher-level decisions generally are raised through county channels, whether through a trained troubleshooter, the elections department, or both. Any decision to contact law enforcement is for local election officials to be exercised in their sound judgment.

If you witness a problem at a voting location, you should not speak to or accost a voter to "enforce" the law yourself. Tense situations should be de-escalated, not escalated. Please inform a poll worker to resolve the issue, or if you or another person is in immediate danger, call 911. Do not take matters into your own hands.
DISCRIMINATORY CONDUCT AND VOTER INTIMIDATION

Discrimination against voters based on race, ethnicity, national origin, language, religion, or disability is punishable under law. Even in the absence of discrimination, any attempt to intimidate, coerce, or threaten a person to vote or not vote is strictly prohibited and may be criminally punishable.

Examples of activity that may amount to intimidation, whether in or outside the 75-foot limit, include:

- Aggressive or ostentatious display of weapons;
- Aggressive behavior, such as raising one’s voice or taunting a voter or poll worker;
- Using threatening, insulting, or offensive language to a voter or poll worker;
- Blocking the entrance to a voting location or disrupting voting lines;
- Intentionally disseminating false or misleading information at a voting location, such as flyers or communications that misstate the date of the election, hours of operation for voting locations, addresses for voting locations, or similar efforts intended to disenfranchise voters;
- Impersonating a law enforcement officer, or otherwise wearing clothing, uniforms or official-looking apparel, intended to deter, intimidate, or harass voters (see also A.R.S. § 26-170, prohibiting unauthorized wearing of national guard or U.S. armed forces uniform);
- Directly confronting or questioning voters in a harassing or intimidating manner, including asking voters for "documentation" or other questions that only poll workers should perform;
- Raising repeated frivolous voter challenges to poll workers without any good faith basis, or raising voter challenges solely based on race, ethnicity, national origin, language, religion or disability; or
- Posting signs or communicating messages about penalties for "voter fraud" in a harassing or intimidating manner.

In sum, any activity that has the intent or effect of threatening, harassing, or intimidating voters—whether in or outside of the 75-foot-limit—is unlawful and should be strictly enforced by election officials, including with assistance from law enforcement if necessary. 52 U.S.C. §§ 10101(b), 10307(b); A.R.S. §§ 13-1202, 16-1013.

POLITICAL PARTY OBSERVERS

All political party observers are required to obtain credentials from their county political party chairperson and must present those credentials at their assigned voting location to observe inside the 75-foot limit. Generally, only one observer per political party is permitted in each voting location. A.R.S. § 16-515(B).
Credentialed political party observers are there to do just that: observe. Observers shall not obstruct poll workers or the voting process, interact with voters, take videos or photos, act unprofessionally, or otherwise fail to obey the voting location inspector or rules established by the county. Party observers who violate these guidelines may have their credentials revoked by the county and be asked to leave.

Non-credentialed observers, interest groups, candidates, and members of the media are not allowed within the 75-foot limit. Even if you intend to observe outside the 75-foot limit, observers shall not obstruct voting lines or the entrance to the voting location, or otherwise engage in any conduct that may have the effect of threatening, harassing, or intimidating voters.

ELECTION NIGHT REPORTING

Results cannot be released to the public until at least one hour after polls close. Starting after 8pm on election night, results will be posted to the County website after they are uploaded to the Secretary of State’s website. The first posting always includes all early ballots that are counted at that time. Results will be updated throughout the night as results become available from the Vote Centers. The last results for the night will be noted as such.

Candidates are cautioned that election night results are not final results and no winners are declared in the county. Counting of early ballots, early ballots dropped off on election day, provisional ballots, and official write in candidates will continue over the next several days. Results will be updated and noted as such on the website. Results are not final until the Board of Supervisors canvasses the election and results for Statewide elections are transmitted to the Secretary of State for the official state canvass.

Arizona law allows for a ballot cure period for the Recorder to contact a voter for signature verification for ballots received or dropped off on election day. The cure period for a statewide election is 5 business days. All other elections have a 3 business day cure period.

Frequently Asked Questions (FAQ)

I’ve decided to run for office, what do I do now?
- First, find out who your filing office is and where they are located. Not all candidates file at the County Elections Department. Obtain candidate information and forms at www.Navajo.az.gov/elections.
• File a Candidate Statement of Interest prior to collecting petition signatures if required.
• Register your committee (if applicable) by filing a Statement of Organization. You can form a committee at any time. For more information see A.R.S. §16-905. If you spend or collect, in aggregate, more than $1,300 you must file a Statement of Organization. You are then required to file Quarterly and pre-election Campaign Finance Reports through the election cycle, and once more when the committee terminates.
• Circulate your petitions and gather signatures.
• File your paperwork with the appropriate filing office before the deadline.

Where are candidate materials available?
County forms that include statement of interest, nomination papers, petitions, signature requirements, filing instructions, campaign finance and financial disclosure forms and instructions are available on the Navajo County website. www.Navajo.az.gov/elections. Only candidates who file before the deadline will be considered “official write-in candidates.” Only official write-in candidates will have their names posted in the Vote Centers and have any votes cast for them counted. A list of write-in candidates is not sent with the early or vote by mail ballots and it is up to the candidates to advertise their candidacy. The list is also posted on the County website. A.R.S. §16-312

I lost in the Primary or didn’t get enough signatures collected – can I run as a write-in?

What is the difference between a Financial Disclosure Statement and Campaign Finance Reports?
A Financial Disclosure Statement is a report of your personal finances, and it is filed at the same time as your Nomination Paper and Petitions. Special District candidates do not have to file Financial Disclosure Statements. County Elected Officials also file an annual Financial disclosure with the Clerk of the Board of Supervisors.

Campaign Finance Reports track all the money that a committee has collected and spent. Campaign Finance Reports are filed several times during the year and cover specific periods of time. All committees who file a Statement of Organization, including Special District candidates are responsible for filing Campaign Finance Reports. Campaign Finance Reports are required until you file a Termination Statement to close your committee.

Fines may apply if these forms are not filed timely, which could impact your ability to run in an election.

Where can I circulate petitions?
Petitions can be circulated to (1) any registered voter who is a member of your political party or to (2) Independents or Party Not Designated registered voters, who live within the confines of the jurisdiction covering the office for which you intend to run. More information can be found in the Secretary of State’s “Petition Circulator Handbook.”

How do I challenge a candidate?
Any candidate in any election can be challenged for any reason by any eligible voter. To challenge a candidate, you must file a challenge petition in Navajo County Superior Court no later than 5:00 p.m. on the 10th business day after the candidate Nomination Petition submission deadline. The challenge petition must specifically list the reasons for the challenge if signatures on a candidate’s Nomination Petitions are being challenged, the challenge must specifically identify the Nomination Petition page and line number for each signature being challenged, and the reasons why the signatures are being challenged. For more information see A.R.S. §16-351 and A.R.S.§16-351.01.

I want to review my opponent’s petitions. What do I do?
Nomination Petitions are available for public inspection and purchase from the Elections Department. To check the signatures on candidate petitions against the Voter Registration records, you must:
1. Submit a Public Records Request Form through the County Attorney’s Office. The form is available online at https://navajocountyaz.gov/Departments/Board-of-Supervisors/Public-Records-Request

2. Schedule an appointment with the Voter Registration Department in the Recorder’s Office for use of their public computer. They can be reached at (928) 524-4192

If you want to look at another candidate’s petitions and do not want copies, you can do so under direct supervision of Elections Department staff, but you cannot use this option if you want to check the signatures against the Voter Registration records. You must still submit a public records request to schedule the appointment for review.

Who can sign my petitions?
Signatures must be obtained from qualified electors who are eligible to vote for the candidate whose nomination petition they are signing. If you are running for a County office, signers are registered in the district you are running for, registered with your same political party, or registered *Independents*. If you are running for a School or Special District, anyone registered to vote in your district can sign your petitions. You may sign your own petition.
