

Navajo County Public Works Department

August 3, 2022

To all Eligible Bidders and Plan Holders:

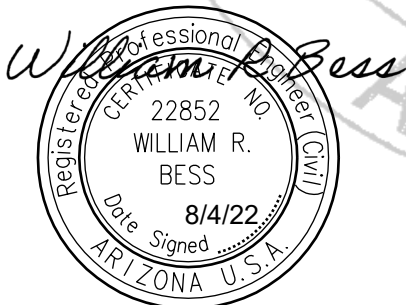

RE: NAVAJO COUNTY PUBLIC WORKS NOTICE OF PRE-QUALIFIED TECHNICAL REGISTRANT LIST, Addenda No. 1

The following is a list of questions and answers for Navajo County Notice of Pre-Qualified Technical Registrant List:

1. Is there a certain number of firms that will be selected for this project?
Response: There is not a certain number of firms that will be selected. Our Engineers will review each submittal to make sure the firms are licensed, qualified registrants before the firms are added to our approved on-all list.
 - a. If so, is this selection number broken down by categories?
Response: The qualified firms are placed on our on call list with multiple categories selected, under which they qualify.
2. Of the categories listed, are firms able to be selected for multiple categories or is there a limit?
Response: There is not a limit.
3. Last, will there be more details to specific items that is being requested for the categories listed? Example: specific wants/needs under Engineering design or Architectural services?
Response: We don't have any projects programed at this time. Our Engineers will select a pre-qualified technical registrant when needed for a project.

If you have any questions regarding this Addenda, please contact Cheryl Hollins at (928) 524-4100.

Sincerely,

William R. Bess, P.E., CFM
Assistant Public Works Director/County Engineer
