Dear Ms. Meadows,

My name is Rick Klein, I am the Activities Director for PUSD #4. I have been employed by PUSD #4 for the past 9 school years. During this time, I have seen the Pinon community evolve. Pinon use to be a quiet remote small town in the heart of the Navajo reservation. Now we are a small prospering city. Our athletic program is one of the most competitive in the area. Our middle school competes in the Northern Arizona Interscholastic Conference which has 11 schools in it. Our high school is a member of the AIA and competes in the 3A north (7 schools). We do alot of traveling south and would love to have the road from Low Mountain to Pollaca paved. The students would not miss as much time from school and the transportation budget would be improved by less wear and tear on the vehicles. We would also get more schools to come and play us from the south. We appreciate any improvements in our roads in the Pinon community and outlying areas. Thank you for your support!

**Sincerely,
R. Klein
